HOW TO MAKE MONEY IN THE MARIJUANA STOCK MARKET

PAZOO REVERSE SPLITS ITS STOCK 100 :1

We regard PZOO's reverse split of its stock to be a decided positive for the company.

The effective was March 30, 2016

The stock is now trading as PZOOD, at 3 cents.

PZOO is not unlike other marijuana companies that had to finance through shares issued.

Share count bloated to 1.59 billion (Yahoo Finance). It was not unusual in this industry.

Pazoo is a good example of a long term holding in an excellent sector of the cannabis industry.

Pazoo's numbers are just starting/ It takes time for labs to rev up revenues.

Their testing labs are the best in the industry as are their partners.

While the testing segment of the industry is not the most glamorous, it is the foundation of the industry

The reverse split will give the company much more room to finance itself.

Long term investors would be well advised to do their research on PZOO.

It is very oversold.
