## HOW TO MAKE MONEY IN THE MARIJUANA STOCK MARKET

### STOCK MARKET CLOUDS ON THE HORIZEN

- ▶ Investors have trouble sifting through the hype and reality.
- ▶ Our website targets how an investor can make money in a cannabis stock market disaster; and cautions investors on dealing with reality.
- ▶ The major marijuana business conference in Las Vegas in mid November did not create a positive upward move in the stock market.
- ▶ In fact the market fell even more.
- ▶ The Benzinga Index was down at the conference about -66% year to date. It is now down -70% YTD.
- ▶ We mentioned that public companies cannot afford to come to these conferences unless that have products to sell to vendors that are attending.
- ▶ Florida's delay in vote to 2018 instead of 2016 says more to me than administrative red tape.
- ▶ It tells me that resistance against legalization is alive and well in Florida and will continue in 2016 in the USA.
- ▶ Adding a recent study concluding that strong THC pot does in fact effect the brain negatively, the plant is debatable..
- ▶ There is plenty of ammunition to argue against legalization and recreational marijuana.
- ▶ The investor's problem is trying to sift through hype and reality.
- ▶ I see 2016's marijuana stock market as worsening.
