HOW TO MAKE MONEY IN THE MARIJUANA STOCK MARKET

AMFIL (AMFE) PRESS RELEASE

Amfil Technologies Inc. Provides Update on Expanding Snakes & Lattes Inc. Operations and Projected Revenue Increases TORONTO, ON--(Marketwired - Jul 5, 2017) - Amfil Technologies Inc. (OTC PINK : AMFE) is pleased to provide the following shareholder update on its current and recently developing operations with projected revenue increase numbers. The company's fiscal year ended last week on June 30th marking the most successful year since the company's inception in 1985, clearly proving the high growth business model implemented by our current CEO, Roger Mortimer, when he took control of the company in 2013. As a direct result of this business model, the company has broadened its operations through acquisition, strategic partnerships, expansion of subsidiaries, and penetration of new markets. These actions have manifested a significant increase in revenues which is expected to continue its growth. We appreciate the support from our shareholders through this exciting time in the company's development, and would like to take this time to provide an update on current operations as well as announce further developments to increase revenues as well as shareholder value. The 3rd and largest, Snakes & Lattes Inc. 'Midtown' location: The opening of the third and largest Snakes & Lattes Inc. location dubbed 'Midtown' at Yonge & Eglinton in Toronto, is projected for the end of this month, July 2017. The final stages of construction which include atmospheric and aesthetic features will commence the week of July 10th 2017. The renderings from McMillan Design have been uploaded to provide the public with an overview of Snakes & Lattes Inc. 'Midtown' prior to its completion. The renderings can be viewed at <http://www.amfiltech.com/snakes-lattes.html> Management estimates revenue growth of approximately \$3-\$4 Million by year end after the opening of the new location. Snakes & Lattes Inc. announces plans for 4th location in Vancouver, BC, Canada: Vancouver, BC, Canada has been selected as the first location to expand the Snakes & Lattes Inc. retail division outside of Toronto, Ontario. Further details relating to specific location and time frame will be announced as they develop. Management is currently shortlisted Chicago, Illinois as the target city for the 5th Snakes & Lattes Inc. location. The decision is not yet final, as management is still vetting other promising US locations. Once the US market is penetrated we will have an aggressive expansion plan unfold simultaneously to continue spreading the brand across North America. Nintendo Switch We previously announced that we had been approached by Nintendo Canada's marketing department to help promote their new Nintendo Switch. We will commence this working relationship by hosting 'Nintendo Switch Nights' and beginning large scale promotion of the Nintendo product line, whilst attracting a new market segment to the Snakes & Lattes Inc. locations for the hosted game nights. We are looking to kick that marketing and promotion of their product line off with a joint release with Nintendo. Snakes & Lattes Inc. Community Initiatives Snakes & Lattes Inc. has been extremely fortunate to have the opportunity to provide the community with a safe and family friendly environment to gather and enjoy themselves. Our successes are a direct result of the people who have supported us. Our management feels a deep sense of gratitude for the overwhelming support, and strives to express this gratitude by contributing back to the communities it operates in. Some recent community initiatives recently undertaken include: Snakes & Lattes Inc. was accepted as an official partner from the Toronto District School board (TDSB www.tdsb.on.ca/) which serves 584 schools in Toronto thus opening the door to partnerships for in school but also after school programs, and building Game Libraries. Snakes & Lattes Inc. is also partnering with the French School Board ([viamonde https://csviamonde.ca/](https://csviamonde.ca/)) Snakes & Lattes Inc. has a partnership with Sick Kids hospital where they will help build board game libraries and will host one or two game nights a month.

Snakes & Lattes Inc. has signed partnerships with kids Camps to run a board game program where we are going to send game experts to multiple camps across town for afternoons of gaming. Summer is the perfect time to do it and the activity is quite lucrative. We are also setting up long lasting relationships with the Kids Camps.
