### A SIGNIFICANT MARIJUANA STOCK MARKET BOOST?

- ▶ After suffering from a long marijuana stock market drubbing, next week may turn momentum around.
- ▶ Oregon, Alaska and Washington will vote on legalization.
- ▶ This vote has the potential to wake up a dead industry, give it credibility and renew momentum.
- ▶ Legislation is similar to formats in Colorado and Washington.
- ▶ If passed, the legalization movement may ignite once more.
- ▶ The Marijuana Business Conference in Las Vegas, scheduled for November 12 to November 14 is perfect timing for a positive vote in these states.
- ▶ Investing is all about fundamental research and analysis. It is also about timing.
- ▶ For those investors who want to sell shares of their marijuana stocks, November 12 might be excellent timing.
