THE MARIJUANA BUSINESS CONFERENCE & EXPO

- ▶ I am at the major business conference of the year here in Las Vegas.
- ▶ They expect 2,200 people from all areas of the industry.
- ▶ I have been studying this industry for more than 3 years.
- ▶ Still, the sheer size and all of the sectors and components under one roof pretty much blows anyone away.
- ▶ The various sectors and key industry people are all here.
- ▶ Hats off to the organizers of this conference. They define excellence.
- ▶ My firm, Cohen Grassroots Research, Inc. is unique to this industry
- ▶ We are the only firm providing 35 - 50 page IR Research Reports, Distribution to Millions of investors, developing Business Plans to help companies raise capital, structuring Pre Public Companies, building Master Budgets, and providing our Paul Cohen's Marijuana Hub.
- ▶ No other firm does this. We are the Gold Standard in these areas, in the micro cap space and in the marijuana/cannabis industry.
