HOW TO MAKE MONEY IN THE MARIJUANA STOCK MARKET

MORE ON THE DEA'S AND THE POSSIBILITY OF RESCHEDULING MARIJUANA

Apparently Congress has cut the DEA's budget by \$23 million dollars.

The structure looks like this: Chief Michelle Leonhart was replaced by the Justice Department's Chuck Rosenberg.

Leonhart opposed any marijuana legalization.

It was thought that Rosenberg would be more moderate

During a press conference in 2015, Rosenberg was quoted as saying, "What really bothers me is the notion that cannabis is also medicinal - because it is not. We can have an intellectually honest debate about whether we should legalize something that is bad and dangerous, but don't call it a medicine - that is a joke." His comments were hardly a DEA endorsement for marijuana.

In December 2015, more than 150,000 signatures asked for Rosenberg's resignation.

Having someone with Rosenberg's views on marijuana is a concern regarding re-scheduling.

It would be a stretch to think that Rosenberg and his views are not behind the latest position of the DEA.

Still, nobody knows what the DEA will do with this issue.

I am skeptical that there will be a reschedule in the near term. It is anyone's guess.
