## HOW TO MAKE MONEY IN THE MARIJUANA STOCK MARKET

### PAZOO UPDATE REPORT IS POSTED ON BOTH OF OUR WEBSITES

▶Cohen Grassroots Research, Inc. today released its 53 page updated report on Pazoo on both of our websites:

▶[www.cohenresearch.com](http://www.cohenresearch.com) and [www.cohengrassroots.com](http://www.cohengrassroots.com).

▶Of our 278 companies in the Cohen Grassroots Marijuana Index, Pazoo is the only stock we know of that has the potential of rising in price between 5 to 8 times.

▶The Cohen Price Target has been lowered from \$0.14 cents to \$0.075 cents.

▶This happened because convertible securities were converted, flooding the market, lowering share prices and creating more shares issued and outstanding. We believe once shares are converted, the stock will trade again at the 2 and 3 cent level.

▶However, the progress of Pazoo in its marketplace has been extraordinary. They have delivered in spades.

▶Pazoo is laying out a Starbucks kind of national testing lab centers.

▶PZOO is the most undervalued stock in the marijuana cannabis markets that we have researched.

▶Our report is an in depth analysis of this business.

▶The quality and level of securities analysis of our work is not available in the marijuana/cannabis stock industry.

▶We recommend your reading the report in detail.

▶In a -27% downward crunch in the marijuana stock market crash, Pazoo in our view is the shining light.
