PAZOO (PZOO) \$0.0225: AN EXCITING LAB TESTING MARIJUANA STOCK

- ▶ Pazoo Inc., (PZOO) is a very exciting oversold marijuana stock trading at \$0.0225. Cohen Grassroots Research, Inc. has just released a 61 page IR Research report on the company.
- ▶ I believe the foundation of the cannabis/marijuana industry is twofold: growing and testing. These industries should be at the heart of the marijuana industry now and in the future.
- ▶ Pazoo is building out a national and international chain of lab testing facilities. It is just starting. This is a high margin business with an exciting future. While there is competition, demand is significant.
- ▶ Through its partner, MA & Associates, PZOO is expected to soon sign a groundbreaking 2-year contract with one of the largest growers in Nevada, representing 875,000 square feet of growing marijuana per year. Revenue potential is a massive \$9 million per year.
- ▶ MA & Associates has already received its first order valued at \$1.5 million to test the product from 155,000 square feet of growing marijuana at its state-of-the-art testing facility.
- ▶ Pazoo has increased its scope of medical marijuana testing by acquiring a total ownership of 55% in Harris Lee LCC to enter into testing facilities markets outside the state of Nevada and across international territories.
- ▶ Pazoo.com, the Company's health and wellness portal, has experienced heavy traffic and has set a new record of 240,000 visitors in a single day reported by Google Analytics.
