HOW TO MAKE MONEY IN THE MARIJUANA STOCK MARKET

MAY 30, 2017 AMFIL (AMFE) PRESS RELEASE - UPDATE: GROZONE

TORONTO, ON, May 30, 2017 (Marketwired via COMTEX) -- TORONTO, ON The EcoPrO3 GROzone Antimicrobial System was jointly developed between Amfil Tech and A.C.T.S. Inc. which recently rebranded its technology under Advanced Ozone Integration as an extension of the existing ozone technology being utilized in the food and beverage industry and integrated by A.C.T.S. into companies such as Pepsi, Nestle, Sysco, Sun Pacific and many others. The system is a triple-function sanitization unit capable of naturally eliminating 99.9% of water and airborne pathogens and the typically problematic pests that wreak havoc for cultivators (like aphids, whiteflies and spider mites), as well as bacteria, fungus, microbes and mold on surfaces, all without chemicals.

The GROzone mPact Antimicrobial System was rebranded to EcoPrO3 and added upgrades including; All stainless-steel construction; Greater flexibility to scale system up or down, depending on facilities application requirements;

Ability to integrate into existing facility monitoring/control systems; Ability to control/monitor remotely via the internet. Added talent to sales and marketing teams to drive sales and brand exposure.

Signed agreement with Roto-Gro International (asx:RGI) to integrate and distribute the GROzone EcoPrO3 system with the Roto-Gro hydroponic systems. Further updates relating to the agreement will be announced as the deal progresses. GROzone EcoPrO3 passed product review through Pennsylvania Certified Organic.

Further updates relating to the agreement will be announced as the deal progresses.

GROzone EcoPrO3 passed product review through Pennsylvania Certified Organic.

Received patent pending number #62472210.

Selected RBSM as our auditors to continue where our previous auditors left off from the filed 2014 10K to become fully reporting in order to automatically uplist to the OTCQB with intention to move up to OTCQX once our share price supports the move.
