HOW TO MAKE MONEY IN THE MARIJUANA STOCK MARKET **MARIJUANA BUSINESS CONFERENCE AND EXPO MAY 19 - MAY 21**

We recommend that our readers attend the Marijuana Business Conference and Expo on May 19 - May 21 at the Hilton Hotel in Chicago. It is the largest expo hall in the cannabis conference industry.

If you have any questions, please contact the Company at (401) 354-7555 x1 or click on <http://MJBizConference.com>.

Marijuana Business Daily is the best news source for updated information in this industry. I am a big fan of this company and their intellectual capital. I read their emails daily as do many investors in this industry.

The Company has announced its Marijuana Business Fact Book for 2015.

It is \$199 well spent.

This book is a must for anyone interested in investing in the cannabis/marijuana industry.

The Cohen Grassroots Marijuana Index now covers 286 companies divided into 9 sub categories. There is nothing like it in the cannabis/marijuana industry.

The Fact Book is a macro overview of the industry, whereas our Index covers the public companies on a micro basis.

Together, the Fact Book and our Index pinpoint value for public companies.

The Marijuana Business Conference and Expo is outstanding. It gives investors a forum to meet face to face many public and private companies. I will be there and hope to meet you there as well.
