HOW TO MAKE MONEY IN THE MARIJUANA STOCK MARKET MORE ON SESSIONS

It was interesting, not surprising to me to see how the President reacted to Jeff Sessions removing himself from any Russian related investigation regarding the Campaign.

The President wanted Sessions in at all costs.

Jeff Sessions was one of the early supporters on this President.

It does look to me like Jeff Sessions is lie under oath.

The Democrats have called for his resignation.

Whether this is politically possible or not remains to me to be seen. The Republicans have the votes to keep Sessions in.

I see nothing more important to the cannabis community than Sessions being in or out as the AG.

I am still surprised that the cannabis stock market has not sold off significantly.

The Federal Government has the power to shut down recreational if it wants to. We don't know if Sessions will survive as AG. What we do know is the 65% of Americans want a Special Prosecutor to examine the Russian question. If Sessions does not get nailed now, he could be caught in such an investigation should it happen.
