## The Las Vegas Marijuana Conference, Nov 12 – 14, 2014

- The best places to learn about the Marijuana/Cannabis industry is at conferences.
- The biggest conference of the year is:
- 3<sup>rd</sup> Annual Marijuana Business Conference & Expo
- Metro-Expo Las Vegas
- 5220 Cameron Street
- Las Vegas, NV 89118
- Website <http://annajyoti.com/2014/08/24/november-12-14-2014-3rd-annual-marijuana-business-conference-and-expo-las-vegas/>
- I urge all of our readers to attend.
- I will not be speaking at this conference as I did at the Weedstock Conference in Denver. I will be advertising our services. Our insert will be in every investor package.
- Please feel free to say hello, and I will do the same.
